This Forró Dance Intensive offers 3 days of finely curated Forró dance classes with locally and internationally renowned dance instructors as part of NY Forró Fest 2018! NY Forró Fest will bring together dancers for 4 days of Brazilian Forró dance classes (from beginner to advanced) and live music festival parties at night, where participants can socialize and dance with world renowned musicians. Forró dance is the Brazilian hip-swiveling, dance floor filling, now globally popular dance originating in NE Brazil. Don't be intimidated: Forró's accessibility is the main reason for its exploding popularity. With a good teacher, you'll pick up the basics in a matter of minutes. As some Forrózeiros (Forró lovers) put it, "It's less competitive than Salsa and less pedantic than Tango...It's actually one of the easier partner dances to master, which is why it's so addictive and increasingly popular." Come to this landmark event, and be part of something sure to become a staple of the NYC Forró social dance scene.
