NYC10 is a unique dance show. Each show provides opportunities to 10 emerging dance companies to showcase their work (up to 10 minutes each) and receive feedback and reviews. It is a free dance platform for development and expansion of unique repertoires.

We are proud to say that NYC10 is being held at Dixon Place, an intimate venue where you can bring your drinks inside the theater. The more drinks you have, the more you are supporting the artists. You are welcome to arrive early and hang out at the bar. We have a few surprises for you this season and you won't want to miss it.
