February 18 – March 24

To Swing or Not to Swing: Beginner Repertory with Susan Hebach

Explore the difference between tap steps that are "swinging" or "straight" by learning dance combinations that use both concepts. Learn how to listen to jazz music and find the beat and understand the structure (chorus) of a song. Work on building your tap technique while learning a combination each week, creating a one chorus dance at the end of the session.

Cost: \$96
