The New Wave Dance Festival, established in 2018, takes place over two days in Manhattan, NY and the surrounding boroughs.

New Wave plays host to an array of professional dancers and companies from the New York Tri-State area who are selected from a pool of applicants.

During the festival, our youth dancers interact and network with local artists and are given the opportunity to perform their current repertoire alongside industry professionals. This has proven to be an incredible networking and performance opportunity for all participants as it further connects and unites dance artists from two of the major dance capitals in the US.
