New York, NY (July 28, 2017) - Hivewild, in conjunction with AH Arts, is pleased to present a pop-up live performance, Pathx. Starting on the corner of Grattan St. and Bogart Street, two dancers, Zachary Richardson and Koliane Rochon Prom Tep, will migrate down Bogart and arrive in Victori + Mo to complete the work. Pathx, much like the exhibition on view, Topographies: Jemila MacEwan and Karin Waskiewicz, will parallel the visual and abstract characteristics of contoured lines found on a topographical map. Mirroring grooves of the land, the relationship between the dancers will demonstrate how unique bonds transcend layers of superficiality in order to rely on a magnetic, timeless connection.
