Partnerfusion Training- multiple styles of partnerwork for dance and theatre professionals!

In our signature workshop, students will learn fundamental partner skills in a variety of different dance traditions, including Pas De Deux, Contact Improvisation, Waltz, Salsa, and Lindy Hop.

This workshop also includes modules on Injury Prevention, Anatomy and Partner dance cross- training, Boundary and consent-based practices for partner dance, and dance physics.

At the end of the sessions, students will leave better prepared to communicate their needs when they are asked for input in designing lifts, moments of weight sharing, and partnered sequences.

This workshop gives students the space to safely practice the fundamental skills that are necessary in order to approach more difficult work.

This workshop is offered in two different models:

The signature 8- hour, two day intensive takes place from 11-4PM on December 9th and 10th, with a lunch break each day from 1-2PM.

We are also offering the workshop in four weekly sessions: Monday November 24th, December 1st, December 8th, and December 15th from 6-8PM.
