From in-corporus, [Pasifika Fest 2025: Connected Currents](#) is a season finale celebration marking two years of Pasifika Series.

Conceived by an inaugural Advisory Circle, the 2025 theme, *Connected Currents*, highlights the intertwining flow of waters, cultures, and peoples—as well as the overlapping struggles and triumphs—that weave the tapestry of the Pacific Ocean region.

An all-day community event, *Pasifika Fest 2025* will feature morning and afternoon sessions, with a culminating performance. Reception with light bites to follow.
