The Season will include World Premieres by newly-appointed Resident Choreographer Lauren Lovette and Taylor Commissioned Choreographer Amy Hall Garner, and a one-night-only event showcasing the collaboration between Paul Taylor and painter Alex Katz. The Season will also feature nine Taylor masterworks; the return of Taylor Commissioned Choreographer Larry Keigwin's *Rush Hour*; and Kurt Jooss's *The Green Table*, one of the most iconic and celebrated anti-war dances of all time, which premiered 90 years ago. It will also expand on the Company's long-time partnership with Orchestra of St. Lukes (OSL) by featuring the orchestra performing musical masterworks by George Gershwin, Sergei Prokofiev and Philip Glass on five Moving Music programs, in addition to performing dance scores on every program.
