Like all theaters, Dixon Place is operating at half-mast. They've been doing a lot of virtual programming, and since their annual Donor Dinner can't happen, they have created a series of celebratory, canny, interactive, virtual and outdoor fun-raising events that'll challenge your imagination, stimulate your senses, and comfort your soul! Here is the link to their Fundraising Campaign: <http://dixonplace.org/raising-cain-campaign/>

Paved Paradise is a fundraising event - an outdoor, socially distanced, dance performance. You'll experience awesome contemporary ballet, hip hop, contemporary South Asian and modern dance styles on a real stage! Although dancers may be masked, extraordinary talent will be revealed on this very special fall afternoon. (If it's chilly, we'll serve hot chocolate!) We hope you'll join us!!

Date: October 24, Saturday.
Time: 2 p.m. & 3:30 p.m.

Featuring:
Armada Dance, Awaken Dance Theater & Dance Atlantic, IndoRican Multicultural Dance Project, kamrDANCE, Sheep Meadow Dance Theatre and The Redef Movement!
