More about us:

We are hosting a fundraiser performance for a new artist-run dance space in East Williamsburg.

We found a beautiful spot and our application has been approved. Before we can move in to host classes, workshops, and performances for the dance community, we need to raise \$20,000 to cover down payment expenses. So please join us for an amazing night of performances, with all proceeds going towards opening up the new space.

If you are unable to attend and still want to support please spread the word and visit our Go Fund Me page where you can donate and find more information about us and the space!

Thank you for your support and generosity!
