### About the Show

@officialhausofmuse

Muse Mondays is an iconic burlesque, gogo, and drag extravaganza! Born at the legendary Stonewall Inn in 2022, we've developed a reputation for sickening shows, immaculate vibes and a little bit of queer chaos. Haus of Muse is founded on the belief that all bodies and identities belong in nightlife and entertainment. We bring you a dazzling burlesque experience rooted in radical self acceptance.

### About Your Host

@ninadiviina

Performer, producer, and provocateur, Nina Divina is the visionary behind Haus of Muse-- a rhinestoned rebellion. Blending sensuality with storytelling, she curates stages where artistry, autonomy, and allure collide. With roots in martial arts, burlesque, and immersive performance, Nina channels her power through poise, and pleasure through presence. As the mother of Haus of Muse, she isn't just building shows- she's forging spaces where the divine, defiant, and decadent collide.
