QUANTUM DEBT is a new movement-based drama conceived, written and directed by Suzanne Willett. It is a look at student debt through the lens of quantum physics. A first-generation college student struggles with increasing college debt as she returns home to help the family, leading her to question her sense of self-worth. This movement-based piece is rooted in the differing realities of the American Dream for GenXers and Millennials.

QUANTUM DEBT runs December 2-19, Thursday-Sunday at 7pm. The Players Theatre is located at 115 MacDougal Street, New York NY 10012 (accessible from the A,C,E trains at West 4th Street). Tickets are \$52 - \$72. For tickets and more information, visit www.quantumdebt.org.
