In this "best-of" remix of his own work, RUBBERBAND founder and choreographer Victor Quijada reflects on the immense creative territory explored during the company's nearly 20-year history. *Vic's Mix* orchestrates the clash between urban pop and classical composition, delving further into Quijada's experiments in defying notions of theatricality and audience expectations through a reimagining of his own repertoire, all embodied by the signature athleticism of RUBBERBAND's dancers.
