About the Event

Presented in partnership with Ballet Hispánico, the Caribbean Cultural Center African Diaspora Institute, and the Jerome Robbins Dance Division at The New York Public Library for the Performing Arts.

About the Series

As the landscape for dance as professional practice, living ritual and technical production continues to evolve, Redefining Practice explores how artists and institutions are adapting, unlearning and innovating new ways of being in creation--and the many phases that creation takes--to prioritise new learnings in racial justice, physical/emotional safety, and community care.
