Rewind to Why as this summer's interns present the party of the season! Join us for live music, performances, a silent auction, free food, drinks for purchase, and—of course—plenty of dancing.

This event is for those who remember and admire the arts of their time, never got to dwell in the arts as they wish, or anybody who just appreciates the arts.

EARLY BIRD TICKETS are on sale until 11:59pm on Friday, July 19! Get \$3 off standard tickets, plus a free drink! Purchase tickets [HERE](#)!

All proceeds go directly to those who extend their work with their companies after the internship culminates.

The budding art administrators of this session's cohort are:  
Dolly Wei Mei Huang // interning with MELA Arts Connect
