Baryshnikov Arts presents *SISSY*, a modern-day reimagining of Sisyphus written, choreographed, and directed by Celia Rowilson-Hall. For three performances only, *SISSY* will play April 24–26 at 7:00 PM.

The cast features Christopher Abbott, Ida Saki, Alia Shawkat and Marisa Tomei with dancers Jesse Kovarsky, Nando Morland, Aliza Russell, and Jacob Thoman.

SISSY is a modern-day reimagining of Sisyphus, expressed through dance and explored from a female perspective, taking place between the worlds of a theater and a miles-long rock quarry. Part dance, part theater, and part personal essay with elements of film—
