A Call to Action // Benefit concert dedicated to building awareness and fundraising for Planned Parenthood and the Yellowhammer Fund. Created in response to the recent abortion bans across the United States, the concert will give power to the voice of the artist. The uptick of abortion bans nationally is an issue that goes beyond a person's right to basic healthcare. It is an issue of power, control, and continued loss of basic human rights.

Join us on July 27th at 8:30pm at the Salvatore Capezio Theater at Peridance as we celebrate humanity, love, and justice. The evening will feature performances by Chelsea Ainsworth, Terry Lyn Berliner, Chase Brock, Roya Carreras, Karla Garcia, Rachel Hettinger, Tsai-Hsi Hung, Sun Kim, Michiyaya, Elisabetta Minutoli, Troy Ogilvie, Gwen Potter, Julie Reyburn, Elizabeth Roxas, and more. A post show reception party will follow as well as donation based classes on July 28th at Peridance Capezio Center.

All proceeds from the event will go to Planned Parenthood and the Yellowhammer Fund.
