### "Dare to Play Like a Champion"

Kicking off the First Friday series on March 7th, SPIN challenges New Yorkers to Play Like a Champion. Upping the energy at SPIN with a Flatiron sports themed Friday night takeover that will get you or locals ready for March Madness, opening day at a baseball park and through the trenches of the final legs of the NBA and NHL playoff races. Featuring high-energy ping pong, a live DJ, tailgate inspired food and drinks that smash the competition, there is something for everyone to enjoy.

Throughout the evening you can rep your team while you test your skills in sports trivia and trick shot challenges, play with ping pong pros, compete for exclusive prizes and mingle with other Flatiron fans. Whether you're rocking your hometown jersey, debating the greatest players in your city's history, or competing in our trick shot challenge, Dare to Play like a Champion is for true fans, local legends and a reason for the sports community to come together to celebrate local team pride, city rivalries, and the shared love of the game.
