Boston Dance Theater reaches its halfway mark of its new virtual series of events on September 30, 2020. Join this special afternoon as we present Surge, a dance film by videographer [Ernesto Galan](#) with choreography by [Jessie Jeanne Stinnett](#)/BDT and scientific input by [Dr. Lawrence J. Pratt](#), shot on location at Jeremy Point in Wellfleet, Cape Cod.

FREE ADMISSION, must RSVP in advance. To learn more and register, visit [bostondancetheater.com/sea-level-rise](http://bostondancetheater.com/sea-level-rise)

SURGE is an online event that serves a dual function: to fundraise for the continuation of BDT's Sea-Level Rise Project, and to expand our dialogue with like-minded individuals whose work and interests straddle the realms of art+science and environmental sustainability.
