Sensory-Friendly Performance

Company: New York City Ballet

Venue: David H. Koch Theater

Location: New York, NY

► [Share](#) | [Print](#) | [Download](#)

Erin Baiano

Designed to provide a relaxed, inclusive environment, these performances offer individuals with sensory processing challenges, including autism, additional support as they experience the repertory of New York City Ballet.

Slight modifications for these specialized events include a relaxed entry/exit policy, adjustments to lighting and sound levels, designated break areas throughout the Theater, additional event staffing to assist with audience needs, and pre-visit resources, including a visual schedule.

May 18, 2025

This one-time-only performance features three exhilarating ballets by NYCB's Founder George Balanchine: *Ballo della Regina*, *Tschaikovsky Pas de Deux*, and *Scotch Symphony*.
