She IS

Company: The PULSE Project
Venue: Secret location in Williamsburg, Brooklyn
Location: Brooklyn, NY

► [Share](#) | [Print](#) | [Download](#)

Fearless. Impassioned. Driven. Raw.

She IS reflects upon the strength and vulnerability of women in a most evocative experience.

Inspired by the pulse of New York City, Artistic Director Brook Notary and Associate Choreographer Jenn Freeman have broken all molds to create the newest genre in dance: Industrial Movement.

Be in the moment and witness an embodiment of women that is sure to move you.
