We would like to invite you to join us Thursday, June 24, 6-7:30pm for a FREE Virtual Therapeutic Expressive Movement Class.

"Skimming The Surface", Expressive Movement workshops led by Dance Entropy's Artistic Director Valerie Green, hope to bring peace and calm in this time of chaos, where everything seems to be out of our control. The virtual workshop will provide a space of safety, to tune into our emotions while releasing and processing feelings through movement. The class provides a supported space for community in this time of required social distancing and turmoil.

If this is of interest to you, please RSVP to sarai@danceentropy.org

"Skimming the Surface" will take place via Zoom at the following link:
