Soca Moves:

A series of open-level soca dance classes curated by Darren Bankss. This is a judgement free space open to all adults, regardless of professional dance training. During class, you will go through a series of stretches, warm-ups, and across the floor movement rooting back to the Afro-Caribbean Diaspora. Each class will end with choreography with the goal spreading awareness and knowledge of Caribbean Dance.

Be sure to bring your rag, flag, water, and of course an open mind!
