Spark premieres a contemporary take on the well-loved story The Velveteen Rabbit by combining dance, shadow play, and puppetry to create an engaging show for families to enjoy together. This new twist on a classic has a resounding emphasis on the importance of play. In the show, the title character is tossed aside for more high-tech toys. Once the Velveteen Rabbit is picked up by its companion, the Boy, they go on many imaginary adventures together. From the Velveteen Rabbit and the Boy traveling to a magical garden to deep-sea diving, the audience witnesses how using one's imagination has no limits. This show is for all ages.
