The Split Bill program aims to serve emerging and mid-career artists looking for a stepping-stone between the showcase format and evening-length self-production. Unlike many showcases, this series encourages the development of premiere, long-form pieces between 20 and 40 minutes. Split Bill presents all kinds of movement-based work shared over two nights, each night offering two different companies. At least two of the participating artists or companies will be selected for a shared or solo run in the Muriel Schulman Theater as part of Triskelion Arts Presents' 2017-2018 Season.
