Stellar Rhythms: A Tribute to the Dogon and the Energy of Sirius B

Come join us at Alpha Omega Theatrical Dance Company for a mesmerizing event celebrating the ancient wisdom of the Dogon tribe and the mystical energy of Sirius B. The Dogon tribe of Mali have knowledge of the Sirius star system, particularly Sirius B, through their oral traditions and cosmology, predating modern astronomy's discovery of Sirius B in 1862. Let's celebrate the rhythms of the universe guiding us on a journey of discovery and connection.

This interactive dance meditation will leave you with moments of reflection and wonder that will certainly get you on your feet.
