SUSAN KLEIN AND TED JOHNSON teaching ongoing weekly KLEIN TECHNIQUE™, STRETCH & PLACEMENT CLASSES

Monday: 3:30-5:00, Wednesday: 10:30-12:00, Friday: 3:30-5:00

Please check Klein Technique on facebook for weekly updates:

The purpose of Klein Technique™ is education, not on the superficial level of mimicking form, but on a profoundly deep level of understanding the full use of the body as an integral whole to maximize full function of each individuals unique movement potential. Klein Technique™ has been taught for more than thirty years in numerous countries. Among the hundreds of Klein Technique™ students are the most well known members of the dance community including Trisha Brown, Stephen Petronio, Bebe Miller, Wally Cardona, Jeremy Nelson, Sasha Waltz and members of their companies. Those who have followed the precepts of Klein Technique™ have gained a confidence and completeness that serves to underpin their work whether as a dancer, an athlete, or as a non-dancer interested in improving their everyday function and health.
