Summer Intensive 2019

Kickstart Your Career at Leah Stein Dance Company

This weeklong intensive welcomes dance artists looking to immerse in creative process, practice, performance, and practical skill building in the field today.

Grounded in the body, the voice, improvisational practice, and inquiry, participants begin the day with morning class. The afternoons offer an opportunity to engage in a collaborative process with Leah Stein that concludes with an informal studio performance. Evenings are for participants to generate activities reflective of their interests including conversations, showings of their own work, as well as special guest visits, attending performances, and master classes in a range of professional development offerings from Vocal Improv to Creating Financial Stability as an Artist.

Certificate and Post-Intensive Mentorship

All students who successfully complete the intensive will be granted a certificate of completion and the assignment of a specially paired artist mentor who will continue to work with the student over the following months either in person or from a distance. The backbone of LSDC's Intensive is to not only immerse emerging artists in the creative process unique to the company, but to offer valuable resources to support their success as professionals in the complex performance world of today.

Apply!

Contact Mira Treatman, info@leahsteindanceco.org, to request an application.

Tuition and Financial Aid

Leah Stein Dance Company is committed to making the intensive as accessible as possible to all accepted applicants. To be considered for financial aid and/or work-study, please outline details in your application. Tuition for the intensive is offered at a \$200-\$1,000 sliding scale.

Faculty

Summer Intensive Faculty include Artistic Director Leah Stein (Company Immersion), LSDC Company Members, and more to be announced.

Housing and Facilities

The Summer Intensive is housed at The Art Room Studio, the official home of Leah Stein Dance Company in the heart of South Philadelphia. Housing is not provided by LSDC, but assistance with securing housing will be offered. South Philadelphia is home to lots of affordable short-term housing options a close distance from The Art Room Studio.
