### COLLABORATORS

[Selena Tornez](#) was born in Queens, raised in Cuernavaca (Mexico), and currently lives in Brooklyn. She is a professional Latin dance performer and choreographer specializing in Salsa, Bachata, and Latin Hustle. Career highlights include international work in France, Singapore, and Panama; and dancing in the Warner Bros. film *In The Heights*, directed by John Chu.

[Disco Con Salsa](#) aims to celebrate women's empowerment and provide safe spaces for dancers to explore their performance and social dance journeys. Merging Disco and Salsa music in professional female DJ sets, *Disco Con Salsa* envisions uniting the Latin Hustle and Salsa communities in one vibrant room, fostering connection and celebration through dance.

### ABOUT SUMMER STREETS

"The New York City Department of Transportation's initiative, Summer Streets, is the largest participatory event in the United States.

"With miles of NYC streets closed to vehicular traffic for people to play, run, walk, and bike, Summer Streets provides space for healthy recreation and encourages New Yorkers to use more sustainable forms of transportation."
