Lindsay Packer

Super 8 Movements is a program of projection performances that incorporate a moving image component on Super 8mm film. Curated by Brigid Greene, this will be the world premiere of 4 new pieces by ANIMALS performance group, Laurel Atwell, Stephanie Gould and percussionist / choreographer Jason Bernard Lucas. This program is opening night of a 5-night cinema-arts festival MONO NO AWARE XI and is also part of the Judson Memorial Church's JAWBailout series so entry comes with a full meal and its FREE to attend.
