On April 11, Syncopated City Dance Company, with its unique and modern twist on the dances of the 1920s-1940s, will join with Cats Paying Dues, tap dancers making moves like you've never seen before, to create a brand new dance experience! This show will make you want to tap your toes, try out some crazy rhythms, pull out your best flapper Charleston, and learn some high-flying aerals. Think you know what swing and tap dancing are like? You're in for something completely new. If you want to see some dancing with energy that will get you on your feet, with an edge (and a price!) you can't find on Broadway, this is where you need to be on Friday night.

Ticket Prices:

\$21 if purchased in advanced

\$25 CASH ONLY at the door
