In Andalucía the cool nights sizzle and crackle with energy from its famous tablaos. These café-style venues showcase flamenco at its most raw, creative, and authentic – where performers create by instinct and improvisation – showcase unbelievable technique – and create living art through the interplay between dancers, musicians, and audience.

Now you can experience this type of Andalucían evening at (Le) Poisson Rouge– featuring live music – an international cast of world-class dancers – and a full selection of wine, cocktails and food in an intimate, accessible cabaret-style atmosphere.

Dancers: Raquel Heredia "La Repompilla," Emilio Ochando, Fanny Ara, Adrian Dominguez, Laura Peralta
Guitarists: Calvin Hazen, Jose Manuel Alconchel
Singers: Francisco "Yiyi" Orozco, Trini de la Isla
