Enjoy the ambience of a New York City Tablao nightclub in Ballet Hispánico's Penthouse Studio for an evening of live music and intimate performances by seasoned professionals, emerging artists, and aspiring students.

Choose the Tablao experience you desire at one of our two shows. The 7:00 pm set will feature the cuadro (flamenco team) with dancing, singing and guitar to explore the most traditional aspects of the art form. Offering moments for each artist to shine and demonstrate their virtuosity, the cuadro works together to highlight the most intense and beautiful elements that Flamenco has to offer.
