Step into the groove with Mark Starr—original Soul Train and American Bandstand dancer, and a 1970s LA club DJ with roots deep in disco and funk. In this workshop, you'll strike a pose like you're on the red carpet and move with the elegance, confidence, and glamour of a true Hollywood icon. Learn how to blend groove, charisma, and old-school soul into your freestyle and performance. By the end, you'll be dancing like a star and feeling like one, too.

Part of the *Waack to the Future* workshop series presented by Princess Lockerooo.
