Choreographers Liz Gerring, Shannon Gillen and Abby Zbikowski are known for their bold, space-eating, no-holds-barred heroic dances, championing the physical realm of freedom and release in their own distinct ways. Dancers from their companies perform a program including: The Liz Gerring Dance Company with little-seen duets; VIM VIGOR previewing a new work; and Bessie Award-winner Abby Zbikowski showcasing duets from throughout her career. Liz Gerring, guest curator for this program, leads a discussion with the artists following the performances.
