As part of its acclaimed UpStream Series, Kaatsbaan welcome The DASH Ensemble under the artistic direction of Gregory Dolbashian to its stage. During their residency at Kaatsbaan The DASH Ensemble will be adapting "Everything", a full length work that premiered at Tisch School of Arts at NYU last July, for a group of four dancers (originally set for 7 dancers) as they prepare to take the piece to the Tari International Dance Festival in Malaysia.

"... wonderful in the fluid, inventive mix of angling shoulders, quick turns and unexpected, off-balance partnering." -Roslyn Sulcas
