The Eleventh Hour!

A NEW sci-fi musical comedy about the end of the world -- where else -- a basement in New Brunswick, New Jersey.

Chronicling the fabled New Brunswick basement music scene during the apocalypse, this new show, which had its premiere as part of New York Theater Festival WINTERFEST back in January 2018, includes a basement rocker, his astrophysicist ex-girlfriend, a Medieval Times performer, a giant snake, cannibals, a group of mole people, and... Neil DeGrasse Tyson. The end of the world is about 12 hours away.
