Kurt Wick

In a concert at the Ailey Citigroup Theatre on October 7, 2017, The Dancing Wheels Company, will showcase the work of those New York based choreographers who have pushed the boundaries of possibilities through their work with the Company. The concert, which will feature a world premiere by esteemed choreographer, David Dorfman, will span the 37 year lineage of the Company. The wide range of works will explore the depth, breath and contributions that the Company has made to the world of physically integrated for well over 3 decades.
