Steps Beyond announces another of its lively and informative Artists Talks with three "Broadway Babies" who can rightly be called "The Women of Fosse" - Diane Laurenson, Dana Moore and Mimi Quillin. Laurenson and Moore appeared in five Fosse shows between them - Sweet Charity, Fosse, Chicago, Dancin', and Big Deal. Quillin performed in Sweet Charity and was also assistant to Bob Fosse and Gwen Verdon. The Broadway veterans will share fascinating stories about the great choreographer drawn from their personal experiences and highlighted by film clips, followed by a Q&A session and reception.
