Time Capsule Virtual Gala

Company: Valerie Green/Dance Entropy

Venue: Online

Location: Queens, NY

While the pandemic may be keeping us from being together in person, Dance Entropy's mission of creating greater understanding through movement has not faltered. We made our programs virtual and now we're proud to bring our annual gala online, too!

The Dance Entropy Board of Directors invites you to join us for a special preview of our soon-to-be-released film "*Time Capsule: A Physical Documentary*", live music, dancing, and performance offerings. The gala will also honor *Marc Crawford Leavitt*, attorney, civic activist, and a long time supporter of Dance Entropy/Green Space. Share in our mission and support a great cause together!

Festive Time Capsule attire encouraged, choose your era!

There are two levels of tickets:

FRIEND - includes access to the online event and a selection of special access discounts to merchants and friends of Dance Entropy, specifically curated for our supporters.

PREMIERE SUPPORTER - includes Friend level benefits, plus an exclusive invitation to the world premiere of "*Time Capsule: A Physical Documentary*."
