Bill Shannon premieres ***Touch Update***, a new work exploring contemporary modes of digital versus interpersonal representation and physicality. Shannon combines movement, wearable projection technology, and video installation to explore the social constructions that surround disabled bodies. Shannon's crutch choreography is performed by Cirque Du Soleil artist Raphael Botelho Nepomuceno, along with collaborators and performers Ron Chunn Jr., Teena Marie Custer, Anna Thompson, Taylor Knight, Jacquea Mae, Cornelius Henke, and David Whitewolf.
