"Emi, Amy and Mimi, the Celebrated Love Partners, and their Bicycle, Emi Nomo" is a new trio by Amy Chavasse, Sarah Konner, and Austin Selden that imagines three characters bound together through a shared memory of something lost. Constructed around tightly hewn rhythms that draw the performers together in ecstatic proximity, a fantastical narrative emerges. "Calling the Goddesses" is a new duet created by Amy Chavasse and Shanghai-based dance and vocal artist, Peng Zhang, structured around traditional songs from the Tujia region of Southwestern Hunan province.
