Undisputed was the beginning; Unburdened is where my heart now lies. As an artist, it is important to remain sensitive, open, ready and willing to shed layers of oneself to the world. I know I was put on this Earth for a reason, to expose my truth through movement, words, and whatever else entices me to do so creatively. To expose my pain, tribulations, joyful moments, and all that makes me human – all what makes us human.

This is my journey. You are all welcomed to be a part of it.
