Experience the power of storytelling through movement with Urban Bush Women's Pop-Up Performances at [Legacy, Lineage, and Liberation: An Examination of Urban Bush Women's Art-Making and Community Organizing Praxis](#) exhibition. As we celebrate 40 years of bold, transformative artistry, these intimate performances bring UBW's legacy to life—honoring the stories, struggles, and triumphs of Black women+ through dance, rhythm, and communal expression.

Rooted in the company's fusion of dance, theater, and song, these pop-ups activate the exhibition space with dynamic, spontaneous movement moments, bridging past, present, and future. Witness the spirit of UBW in motion, where every gesture holds history and every step ignites possibility.
