Tania Palomeque

VALLETO's artistic director, Valeria, is teaching 3 workshops in the month of April! Her workshops and contemporary classes cultivate a safe space for exploration, breakthroughs, intimacy, community and risks. Her class is focused on exploring new movement dynamics of the body while acknowledging the psyche of each dancer to find freedom in the uncomfortable. She works individually and as a group with the dancers to challenge their techniques. The beginning of her class prepares the dancers for her physical and emotional choreography with floor work and improvisational methods. Her movement focuses strongly on intention, sensations and individual input. Come prepared to SWEAT AND HAVE FUN. (LIVE MUSIC)

Price: \$50 for 4 hour workshop PLUS discount for VALLETO T-shirts for all participants.
