VISIONS Contemporary Ballet, a Harlem based ethnically diverse company that celebrates contemporary dance rooted in the Black experience, returns to The Riverside Theater on November 15 - 17, 2024 with *For Love's Sake*, four heartfelt works that share the theme of the power of love, choreographed by Founder/Artistic Director Ranardo-Domeico Grays. *For Love's Sake* features the premiere of *Heart is Home*, an inspirational piece that explores the idea of making way for joy and love despite loss and heartbreak. Dedicated to Grays' Mom and all the mothers who have instilled love and a sense of home in their children, even though they may have often been far apart in the world. Also being performed are "Exile," an excerpt from *Through the Valley*, "Graciousness," an excerpt from *Roots*, and *Backbone*.
