Vertigo cross-pollinates our communities. Taking the form of concentric circles. Taking the form of disco balls. Taking the form of musical performance. Gravitating towards the center. The event will feature several spheres of performance throughout the evening. Dance performances outside on the spacious lawn move into the lobby and finally converge in the theater with special musical acts and performances, complete with dance party. Dai Burger and LDSXOXO headline the night! Featuring Tyler Ashley, Manchildblack. Brother(hood) Dance!, BS Movement, Michael DiPietro, Jasmine Hearn, Liz McAuliffe, Bessie McDonough-Thayer, Slim Ninja and more surprise guests. Costumes invited!

Please note that Cakes Da Killa will NOT be performing as previously advertised. Stay tuned for additions to the list of featured artists!
