Guest Master Dance Educators Nancy Ng, MFA, and Patricia Reedy, MA, Luna Dance Institute

Luna Dance Institute, a nationally-acclaimed dance education organization based in Berkeley, CA, aims to bring creativity, equity and community to every child's life through the art of dance, which exemplifies why Directors Ng and Reedy are DEL Summer Institute's Guest Master Dance Educators. As you explore, improvise and compose dances; investigate the art of the question; learn to problematize lessons; and share observation and reflection tools that can support connections between your teaching and creative lives.
