Flushing Town Hall

Join us in the Flushing Town Hall Theater for the first performance in our 2023 Women's History Month Trilogy series.

"Golden Girls" will celebrate the music of Dionne Warwick, Shirley Bassey, Barbra Streisand, Carole King, and Petula Clark. The performance will be a musical celebration of women who all had a major presence throughout radio stations across America spanning the 1960's and into the 1980's.

The tribute concert will be performed by vocalist Zoe Lyons Nieves and her musicians as they perform a medley of popular music that will span more than forty years.

This concert will also make a detour into the 2000s, presenting a selection of music from American pop icons Katy Perry, Alicia Keys, and Lady Gaga.

"The Golden Girls" will span the old, the new, and the in-between... with selections of music that are sure to please audiences of all kinds.
