Choreographer Jackie Nowicki and NOW Dance Project's production of "WHOLE" is a reflection of strength, creativity, spirit, and one's journey to fill a physical and emotional hole. The dramatic West End Theater creates a theatrical environment to transport the audience and enhance the experience. Through a combination of three repertory pieces and the premiere of a new work, the audience will find themselves on a journey of perseverance.

Friday, February 24th 8pm

Saturday, February 25th 3pm and 8pm

Tickets: \$20 online // \$25 cash only at the door

The Church of St. Paul & St. Andrew takes no responsibility for the contents of this production.
